A YEAR OF GROWTH AND CELEBRATION

"We aren't going to solve the issue of poverty. We are, however, trying to give people dignity, confidence, and hope in a world that tries so hard to take it away."

—Mel Solle,
Founder &
Executive
Director

We had much to celebrate in 2025.

We threw a banquet in October for our 5-year anniversary at Vander Mill Cider, attended by 93 guests, volunteers, and supporters.

At our pantry, we set record attendance levels nearly monthly. We organized four new donation boxes around town, and our annual Christmas drive, the Toile-tree campaign, expanded to 8 locations and resulted in over 1,700 items collected. In total, we distributed over \$45,000 worth of pantry products.

We are thrilled to see how what started out as a little nudge from God has grown into an important local resource.

OUR COMMITMENTS

- **We provide free personal hygiene items** to our neighbors through “Take Two-sday,” held on the 2nd Tuesday of each month at Seymour Church.

- **We put our faith in action**—pointing to Jesus and his kingdom by helping the poor, the oppressed, and the immigrant.

- **We measure success by relationships** and the ways we strengthen the local communities we serve, adapting to evolving needs.

- **We are laying the groundwork for lasting change**, building a future where every individual has the opportunity to thrive.

LOOKING AHEAD

The simplest acts—washing your hands, brushing your teeth, moisturizing your body, having period products—can be the difference between health and sickness.

In our next season, Take Two is excited to partner with local healthcare agencies and departments to increase access to basic hygiene practices. By developing opportunities to educate and provide care for those most in need, we’re paving the way for a brighter, more hopeful future for our neighbors.

*Hygiene is
healthcare.*

Thank you

to all our donors and volunteers who make our commitments and our future possible.

We couldn't do it without you.
